

### **Can I obtain a packet at the enrollment session?**

No. Do not attend an enrollment session unless you were mailed a complete packet from the Public Authority.

### **Can I bring someone to the enrollment session?**

No. Please do not bring anyone with you to the enrollment training center, as there is limited space and no child care available.

### **Do I mail my enrollment paperwork?**

No. You must attend the enrollment session in order to submit the paperwork in person and provide proof of identity.

### **Does my name on my Social Security card and Identification card have to be the same?**

Yes. The name on your Social Security card and Identification card must match, including any suffix, in order to be accepted.

### **Is it mandatory that I bring my Social Security card to the enrollment session?**

Yes. You must bring your original Social Security card with you to the enrollment session. We do not accept copies or receipts in lieu of your Social Security card.

### **Do you accept a Social Security card that says “Valid for Work Only with INS and/or DHS authorization”?**

Yes. If you have a restricted Social Security card you must also provide your valid Employment Authorization Card.
